Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 30 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain spreading east later tonight. Sunshine and showers on Friday.

This Evening and Tonight:
A dry but cloudy night for most. A band of rain, heavy at times reaches the north coast during the early hours as it moves eastwards. Windy with the risk of coastal gales. Minimum temperature 13 deg C (55 deg F).

Friday:
A dry day for most with long sunny spells, however a rain band clearing to the east of the region by midmorning leaves some scattered showers. Blustery along the coasts. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
An unsettled weekend with showers or longer spells of rain, strong winds and potentially some coastal gales. Winds ease slightly by Monday, with sunny spells and showers.
